

**Minnesota Herpetological Society  
Grants in Herpetological  
Cover Page**

**Conservation and Research**

Name: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

Email address: \_\_\_\_\_

Proposal Title: \_\_\_\_\_

Amount Requested from MHS (do not exceed \$1,500.00): \_\_\_\_\_

Please include the following materials with your request:

1. Completed MHS Grants in Herpetological Conservation and Research Cover Page.
2. Grant Proposal – 3 page limit, not including references, graphs, or figures. Please use 10 point font or greater.
3. Budget – Include total budget, amount requested from other sources, and amount requested from MHS. Please discuss the status of your project if full funding is not available. Are there contingency plans if you get only partial funding?
4. Permit and animal care protocol information. Include information about any necessary permits, received or requested, and animal care protocols required by your institution.
5. A current CV or resume.

**Grant requests are considered twice each year. Grant proposals must be postmarked by December 1<sup>st</sup> (for February fund dispersal) and May 1<sup>st</sup> (for July fund dispersal).**
